13 **ORDER REQUESTING STATUS
14 UPDATE**

15 Plaintiff filed this Americans with Disabilities Act (“ADA”) access case in October 2015.
16 (Dkt. No. 1.) The complaint was answered as of November and December 2015. (Dkt. Nos. 10,
17 15.) Since that time, the docket does not reflect any substantive activity even though the deadline
18 for plaintiff to file a “Notice of need for Mediation” has passed. (*See* Dkt. No. 5.) In addition, the
19 Clerk’s Office directed Defendants to file a consent or declination to proceed before a magistrate
20 judge by December 15, 2015, but Defendants did not do so. Accordingly, on or before March 28,
21 2016, Plaintiff shall file a status report updating the Court on the status of this case, and
22 Defendants shall file a consent or declination to proceed before a magistrate judge.

23 **IT IS SO ORDERED.**
